Plymouth Registry of Deeds eRecording Seminar Invitation

Simplifile and Plymouth Register of Deeds, John R. Buckley, Jr. cordially invite you to attend an eRecording seminar

Event: Plymouth Registry eRecording Seminar
Date: Tuesday, September 16, 2008
Time: 4:00 pm – 6:00 pm
Location: Radisson Hotel Plymouth Harbor, Plymouth Room
180 Water Street, Plymouth, MA

> **Plymouth Registry Now eRecording**

To an organization such as yours that regularly submits land record documents to the Plymouth Registry via (express) mail, runner or courier service, the availability of eRecording means that you are now able to **securely and cost-effectively submit documents** through a Web browser **from the convenience of your office**.

SimplifileSM, a third-party provider of electronic document filing and recording services, has worked with the Registry staff to enable submitters like you to **save time and money and improve the quality of service you provide your clients** by being among the first three Massachusetts counties to take advantage of the many benefits of eRecording.

To find out more about how you can **use existing equipment** (PC, scanner and high-speed Internet connection) to quickly and conveniently eRecord documents with the Registry, **join Register of Deeds, John Buckley, and Simplifile Sales Director Paul Roth Esq. for an eRecording demonstration and discussion on Tuesday, September 16th at 4:00 pm**.

John Buckley will also make himself available for a brief presentation and a Question and Answer session.

> **RSVP**

To RSVP for the kick-off meeting, please **contact Simplifile NE Sales Director, Paul Roth, Esq. at paul.roth@simplifile.com or at 781.552.1148** by Monday, Septber 8th. Seating is limited so RSVP early. Hors d'Oeuvres will be served.
