CATIC®

Your New England Title Insurance Company

Cordially Invites You to Attend a Presentation on

eRecording with SIMPLIFILE

Brian Kilfoyle, New England Director for Simplifile, will provide a live demonstration which will summarize the process of electronic document recording with the Plymouth County Registry of Deeds, as well as highlight the numerous benefits associated with eRecording. Since 2003, Simplifile has been providing its customers with innovative, simple, and secure electronic recording services via the Internet. Simplifile's electronic recording services accelerate document recording and simplify the recording process while reducing the costs associated with traditional submission and recordation methods.
