No. 1420

On the petition of the Selectmen of the Town of Halifax presented to the County Commissioners of Plymouth County at their meeting holden at Plymouth on the second day of July in the year of our Lord nineteen hundred and sixty-eight, representing that the Highway in said town known as Carver Street between Route 106 (Plymouth Street) and South Street is narrow, crooked and inconvenient for use and in need of specific repair, locating anew, or relocation, and the intersections of said highway with connecting streets are dangerous for public travel,

The County Commissioners, pursuant to an order of notice duly published, posted and served, by which all persons and corporations interested had due notice thereof, met to view the premises at the County Commissioners' Office in Plymouth in said County on the twenty-second day of April A. D. 1969, at 2:30 o'clock in the afternoon, and after viewing the premises and hearing all persons and corporations who desired to be heard, the said hearing was continued and adjourned for further consideration, from time to time, all persons and corporations interested having due notice thereof, to a meeting of the County Commissioners, held at their office in Plymouth on the seventeenth day of June A. D. 1969, when and where they adjudicate and determine that common convenience and necessity require that the prayer of said petition be granted.

And upon the adjudication aforesaid, the said Commissioners appointed the fifteenth day of July A. D. 1969, and 2:00 o'clock in the afternoon, at County Commissioners' Office, Plymouth in said County as the time and place when and where they would proceed to further view the premises, and make such order in relation to said adjudication as by law they might be authorized to do.

And having given notice of such adjudication, and of the time and place appointed for the purposes aforesaid, in the same manner as the notice and publication were given and made before first proceeding to view (except by publishing an abstract of said petition instead of a copy thereof), the said Commissioners met at the time and place appointed and then and there heard all persons and corporations interested, and said hearing was thence adjourned and continued from time to time to the meeting of the County Commissioners held at their office in Plymouth on the twelfth day of May A. D. 1970, when and where they proceed to complete said proceedings and make return thereof as follows, to wit:—

No. 1421

On the petition of the Selectmen of the Town of W. Bridgewater presented to the County Commissioners of Plymouth County at their meeting holden at Plymouth on the twentieth day of August in the year of our Lord nineteen hundred and sixty-eight, representing that the highway in said town known as East Center Street between Route 28 and the East Bridgewater Town Line is narrow, crooked and inconvenient for use and in need of specific repair, locating anew, or relocation, and the intersections of said highway with connecting streets are dangerous for public travel,

reference being had to the petition filed of record in the case.

The County Commissioners, pursuant to an order of notice duly published, posted and served, by which all persons and corporations interested had due notice thereof, met to view the premises at the County Commissioners' Office in Plymouth in said County on the seventeenth day of December A. D. 1968, at 2:30 o'clock in the afternoon, and after viewing the premises and hearing all persons and corporations who desired to be heard, the said hearing was continued and adjourned for further consideration, from time to time, all persons and corporations interested having due notice thereof, to a meeting of the County Commissioners, held at their office in Plymouth on the first day of April A. D. 1969, when and where they adjudicate and determine that common convenience and necessity require that the prayer of said petition be granted.

And upon the adjudication aforesaid, the said Commissioners appointed the fifteenth day of April A. D. 1969 at 2:00 o'clock in the afternoon, at County Commissioners' Office in Plymouth in said County as the time and place when and where they would proceed to further view the premises, and make such order in relation to said adjudication as by law they might be authorized to do.

And having given notice of such adjudication, and of the time and place appointed for the purposes aforesaid, in the same manner as the notice and publication were given and made before first proceeding to view (except by publishing an abstract of said petition instead of a copy thereof), the said Commissioners met at the time and place appointed and then and there heard all persons and corporations interested, and said hearing was thence adjourned and continued from time to time to the meeting of the County Commissioners held at their office in Plymouth on the twenty-sixth day of May A. D. 1970, when and where they proceed to complete said proceedings and make return thereof as follows, to wit:—

No. 1416

On the petition of the Selectmen of the Town of Plympton presented to the County Commissioners of Plymouth County at their meeting holden at Plymouth on the eighteenth day of June in the year of our Lord nineteen hundred and sixty-eight representing that the highway in said town known as Cross Street between Center Street and West Street is narrow, crooked and inconvenient for use and in need of specific repair, locating anew, or relocation, and the intersections of said highway with connecting streets are dangerous for public travel,

reference being had to the petition filed of record in the case.

The County Commissioners, pursuant to an order of notice duly published, posted and served, by which all persons and corporations interested had due notice thereof, met to view the premises at the County Commissioners' Office, in Plymouth, in said County on the twenty-ninth day of April A. D. 1969, at 2:30 o'clock in the after noon, and after viewing the premises and hearing all persons and corporations who desired to be heard, they adjudicate and determine that common convenience and necessity require that the prayer of said petition be granted as hereafter set forth; no person or corporation then or at any other time objecting thereto.

And they continue and adjourn said proceedings from time to time for further consideration and to make return thereof, to a meeting of the County Commissioners held at their office in Plymouth on the twenty-seventh day of October A. No. 1403.....

On the petition of the selectmen of the Town of MATTAPOISETT presented to the County Commissioners of Plymouth County at their meeting holden at Plymouth on the tenth day of October in the year of our Lord nineteen hundred and sixty-seven, representing that the highway in said town known as Brandt Island Road for the entire length between Fairhaven Road (Rt. 6) and the end of the road at Brandt Island Cove is narrow, crooked and inconvenient for use and in need of specific repair, locating anew, or relocation, and the intersections of said highway with connecting streets are dangerous for public travel,

reference being had to the petition filed of record in the case.

The County Commissioners, pursuant to an order of notice duly published, posted and served, by which all persons and corporations interested had due notice thereof, met to view the premises at the County Commissioners' Office in Plymouth in said County on the tenth day of December, A. D., 1968, at 3:00 o'clock in the afternoon, and after viewing the premises and hearing all persons and corporations who desired to be heard, the said hearing was continued and adjourned for further consideration; from time to time, all persons and corporations interested having due notice thereof, to a meeting of the County Commissioners, held at their office in Plymouth on the thirtieth day of September, A. D., 1969, when and where they adjudicate and determine that common convenience and necessity require that the prayer of said petition be granted.

And upon the adjudication aforesaid, the said Commissioners appointed the twenty-first day of October, A. D., 1969, and 2:30 o'clock in the afternoon, at County Commissioners' Office, Plymouth in said County as the time and place when and where they would proceed to further view the premises, and make such order in relation to said adjudication as by law they might be authorized to do.

And having given notice of such adjudication, and of the time and place appointed for the purposes aforesaid, in the same manner as the notice and publication were given and made before first proceeding to view (except by publishing an abstract of said petition instead of a copy thereof), the said Commissioners met at the time and place appointed and then and there heard all persons and corporations interested, and said hearing was thence adjourned and continued from time to time to the meeting of the County Commissioners held at their office in Plymouth on the twenty-ninth day of December, A. D., 1970, when and where they proceed to complete said proceedings and make return thereof as follows, to wit:—

No. 1417

On the petition of the Selectmen of the Town of Plympton presented to the County Commissioners of Plymouth County at their meeting holden at Plymouth on the eighteenth day of June in the year of our Lord nineteen hundred and sixty-eight representing that the highway in said town known as Grove Street between Halifax Town Line and Kingston Town Line is narrow, crooked and inconvenient for use and in need of specific repair, locating anew, or relocation, and the intersections of said highway with connecting streets are dangerous for public travel,

reference being had to the petition filed of record in the case.

The County Commissioners, pursuant to an order of notice duly published, posted and served, by which all persons and corporations interested had due notice thereof, met to view the premises at the County Commissioners' Office, in Plymouth, in said County on the twenty-ninth day of April A. D. 1969, at 3:00 o'clock in the after noon, and after viewing the premises and hearing all persons and corporations who desired to be heard, they adjudicate and determine that common convenience and necessity require that the prayer of said petition be granted as hereafter set forth: no person or corporation then or at any other time objecting thereto.

And they continue and adjourn said proceedings from time to time for further consideration and to make return thereof, to a meeting of the County Commissioners held at their office in Plymouth on the twenty-ninth day of December A. D. 1970, when and where they proceed to complete said proceedings and make return thereof as follows, to wit:—

TOWN OF MIDDLEBOROUGH

FINAL DECREE

This cause came on to be heard upon an appeal from the decision of the Board of Assessors of the Town of Middleborough refusing an abatement of the real estate tax upon property of the appellant for the year 1969, under the provisions of General Laws, Chapter 59, Section 64.

After a hearing duly held on March 17, 1970, it is found that the appellant is a benevolent institution which has been granted abatement of real estate taxes for previous years by the Middleborough Board of Assessors; and it is further found that the appellant did not willfully omit to bring to the Assessors the list and statement required by General Laws, Chapter 59, Section 29. 1. That the appellant is entitled to abatement of its real estate tax for the year 1969, under the provisions of General Laws, Chapter 59, Section 5, Clause Third.

AT A STATUTORY MEETING OF THE COUNTY COMMISSIONERS HOLDEN AT PLYMOUTH ON THE SIXTEENTH DAY OF MARCH A. D. 1971:

Voted to enter on the records the following report of an inspection of the House of Correction and Jail in Plymouth.

"In accordance with Chapter 126, Section 1 of the General Laws, the regular inspection of the House of Correction and Jail was made on Tuesday, March 9, 1971, by the County Commissioners.

We were greeted by Sheriff Adnah H. Harlow, who informed us that he was in receipt of bills of over \$4,100.00 for medical services to a prisoner, Joseph A. Dean, who was injured on January 27, 1971, about 9:00 P.M. He was operated on and subsequently discharged from the Carney Hospital on February 11, 1971 and is now in the State Prison Hospital, in Norfolk. This will necessitate an amendment request to increase the House of Correction budget by \$5,000.00.

A delightful dinner of veal cutlets, mashed potatoes, coleslaw and spinach was enjoyed, with rice pudding for dessert. Acoustics are very poor, the small lunch room should be sound-proofed.

Following dinner, the Commissioners inspected the installation of new lights, the new intercom system and the replacement of plumbing fixtures in one tier of cells. The wires for the intercom system are exposed and easily available to the inmates. The wires should be enclosed in pipe especially in low sections where easily reached. Officer Kreigel explained that originally they had problems with the air lines which controlled the thermostat and heating valves. These had been ripped from the walls but are now encased in pipe.

We were shown a broken window in the corner of one tier where the bars outside had been sawed in preparation for a get-away. The Commissioners suggested that the window be replaced with a piece of steel instead of glass.

MARCH SITTING, 1971

The new light fixtures which so far have proved tamperproof are a big improvement; very neat and attractive fixtures. They haven't had any light breakage since the new light fixtures were put in.

The new intercom speaker up by the ceiling was noted. The efficiency of this system is somewhat impaired by the radios in the cells going full blast. The monitoring system speaker is also a microphone, so this is a two-way intercom system.

The new toilet combination fixtures are a medium gray in color. Shelving will be added to the cells before moving back the inmates. The Commissioners noted the hole in the wall, which Mr. Kreigel explained was an air duct. On the next installation they will try to seal up the holes altogether and drill another hole in the wall with a little grill over it. Presently said duct can be used as a storage trap.

We inspected an area behind the back wall of cells, where all pipes and wires servicing the cells are contained. There is one door off this basement level. On future installations, they plan to include an access door on each level. Commissioner Kirby inquired if there were any security reason why it should not be done. Officer Kreigel said that a prisoner would go through the opposite door because it lead to the stairwell to outdoors. The Sheriff showed us the fence enclosure around the yard which can be easily assailed, and several persons have gone over it.

On the main level, there are still 28 plumbing units plus 28 more on the lower level on the other side, to be replaced in the future.

The ceiling tile in the recreation room had been broken by the inmates. The Sheriff explained that they want to use this room for the Education Officer.

The dairymen and workers are the first to eat breakfast each morning, then the men awaiting trial usually eat next at about 6:30 A.M., and the last call for breakfast is at 7:00 A.M.

Since November 3, 1970, there have been six hundred and thirty-four (634) commitments; one hundred eighty-nine (189) to the House of Correction and four hundred forty-five (445) to the Jail. No deaths have occurred in the institution during this time; however, one inmate, Joseph A. Dean, was seriously injured on January 27, 1971.

The total number in this institution on March 9, 1971 was one hundred twenty-two (122); one hundred thirteen (113) men and nine (9) women, eighty-six (86) men and five (5) women in the House of Correction, a total of ninety-one (91) serving sentences. Five (5) men serving in Jail. Twenty-two (22) men and four (4) women were awaiting trial. There were two (2) lock-ups.

The following prisoners have been paroled from the institution since our last visit:

Florence E. Wilcox
Arthur K. Gilholm, Jr.

No. 1419

On the petition of the Selectmen of the Town of Abington presented to the County Commissioners of Plymouth County at their meeting holden at Plymouth on the eighteenth day of June in the year of our Lord nineteen hundred AND sixty-eight, representing that the highway in said town known as Linwood Street between Mill Street and Ames Nowell State Park is narrow, crooked and inconvenient for use and in need of specific repair, locating anew, or relocation, and the intersections of said highway with connecting streets are dangerous for public travel,

reference being had to the petition filed of record in the case.

The County Commissioners, pursuant to an order of notice duly published, posted and served, by which all persons and corporations interested had due notice thereof, met to view the premises at the County Commissioners' Office in Plymouth in said County on the seventeenth day of December A. D. 1968, at 3:00 o'clock in the afternoon, and after viewing the premises and hearing all persons and corporations who desired to be heard, the said hearing was continued and adjourned for further consideration, from time to time, all persons and corporations interested having due notice thereof, to a meeting of the County Commissioners, held at their office in Plymouth on the twenty-fifth day of March A. D. 1969, when and where they adjudicate and determine that common convenience and necessity require that the prayer of said petition be granted.

And upon the adjudication aforesaid, the said Commissioners appointed the fifteenth day of April A. D. 1969, and 2:00 o'clock in the afternoon, at County Commissioners' Office in PLYMOUTH in said County as the time and place when and where they would proceed to further view the premises, and make such order in relation to said adjudication as by law they might be authorized to do.

And having given notice of such adjudication, and of the time and place appointed for the purposes aforesaid, in the same manner as the notice and publication were given and made before first proceeding to view (except by publishing an abstract of said petition instead of a copy thereof), the said Commissioners met at the time and place appointed and then and there heard all persons and corporations interested, and said hearing was thence adjourned and continued from time to time to the meeting of the County Commissioners held at their office in Plymouth on the sixth day of April A. D. 1971, when and where they proceed to complete said proceedings and make return thereof as follows, to wit:—

No. 1441

On the petition of the Selectmen of the Town of Abington presented to the County Commissioners of Plymouth County at their meeting holden at Plymouth on the twenty-fourth day of November in the year of our Lord nineteen hundred and seventy representing that the highway in said Town known as Rockland Street beginning about 1,400 feet west of Brockton Avenue and extending easterly about 600 feet is narrow, crooked and inconvenient for use and in need of specific repair, locating anew, or relocation, and the intersections of said highway with connecting streets are dangerous for public travel,

reference being had to the petition filed of record in the case.

The County Commissioners, pursuant to an order of notice duly published, posted and served, by which all persons and corporations interested had due notice thereof, met to view the premises at the County Commissioners' Office, in Plymouth in said County on the twelfth day of January A. D. 19 71, at 2:00 o'clock in the after noon, and after viewing the premises and hearing all persons and corporations who desired to be heard, they adjudicate and determine that common convenience and necessity require that the prayer of said petition be granted as hereafter set forth; no person or corporation then or at any other time objecting thereto.

And they continue and adjourn said proceedings from time to time for further consideration and to make return thereof, to a meeting of the County Commissioners held at their office in Plymouth on the eighth day of June A. D. 19 71, when and where they proceed to complete said proceedings and make return thereof as follows, to wit:—

DESCRIPTION OF THE LINES OF ROCKLAND STREET IN THE TOWN OF ADINGTON BEGINNING ABOUT 1,400 FEET WEST OF BROCKTON AVENUE AND EXTENDING EASTERLY ABOUT 600 FEET, AS LAID OUT BY THE COUNTY COMMISSIONERS UNDER PETITION OF THE SELECTMEN FILED NOVEMBER 24, 1970 AND DECREE NO. 1441.

Southerly Line:

Beginning at a county bound set at land of Thomas H. and Jean A. Boyd in the southerly line (side line) of Rockland Street one thousand five hundred eighty-four and one hundredth (1,584.01) feet east of the first-described bound in said southerly line of Rockland Street as laid out under Decree No. 970. Thence running on a curve, starting southeasterly and curving more southerly, of a radius of one thousand one hundred eighty-four and sixty-eight hundredths (1,184.68) feet through said land of Boyd and through land of Victor F. Gliniewicz two hundred fifty-one and seventy-nine hundredths (251.79) feet to a county bound marking a point of compound curve; thence running on a curve to the right of a radius of one thousand (1,000.00) feet through said land of Gliniewicz and through land of Russell V. Breault four hundred ninety-two and eighty-three hundredths (492.83) feet to a county bound set in the southerly line of Rockland Street as laid out under Decree No. 970 marking a point of reverse curve at said land of Breault. The easement over all the land between the above-described line and the southerly line of Rockland Street as laid out under Decree No. 970 is hereby taken and laid out for highway purposes.

Where necessary, the Commissioners reserve the right to slope for grading purposes on abutting private property.

MARCH SITTING, 1971

In the foregoing description, abutting property is stated as owned by those shown as owners on said plan, but it shall be understood that the reference in each case is to the land shown on said plan as owned by the person or persons named whoever in fact the owners may be.

For a further identification and a more particular description reference is hereby made to a plan entitled "Decree No. 1441. Plan of Part of Rockland Street in the Town of Abington" as laid out by the County Commissioners under petition of the Selectmen filed November 24, 1970 drawn on a scale of forty (40.00) feet to an inch by Vernon M. Ayles, Consulting Engineer, herewith filed and made a part of this decree.

The grade of the center of the above-described highway when fully completed in accordance with this decree is to conform to the grade of the said highway as at present constructed. Owners of land taken as aforesaid are required to remove their buildings and other obstructions from the lands so taken within thirty days from the date of Decree.

The inhabitants of the town of Abington aforesaid, are hereby ordered to cause said highway to be constructed as aforesaid, made safe and convenient for the public travel, and to the acceptance of the County Commissioners before the eighth day of June A. D. 1973.

The sums hereinafter named are awarded to the persons and corporations over whose lands easements are taken for said highway or who suffer damages on account thereof, to be paid from the County Treasury of the County of Plymouth upon the recording of this taking in the Plymouth County Registry of Deeds, to wit:

<u>Parcel No.</u>	<u>Supposed Owner</u>	<u>Sq. Ft. Taken</u>	<u>Sq. Ft. Discontinued</u>	<u>Award</u>

3	Russell V. Breault	1,200	---	290.00
Total:				\$601.00

To the Honorable Board of County Commissioners—

Respectfully represents your petitioners, THE Selectmen of the town of Kingston, that the highway in said town known as Wapping Road between near the cranberry bog formerly owned by Charles L. Farrington and now owned by Richard W. Jones, Jr. and Surplus Street, Duxbury

is narrow, crooked and inconvenient for use and in need of specific repair, locating anew, or relocation, and the intersections of said highway with connecting streets are dangerous for public travel.

We therefore pray that your Honorable Board cause a hearing to be held and make such order as in your judgment the public necessity and convenience require.

WHEREAS the Plymouth County Court House, in Hingham, is in an emergency situation being without a sure and constant supply of water in the well and whereas water is essential for the proper functioning of the Court and its facilities and whereas a new well appears to be the only solution to the situation and whereas the nature of such a project is such that a proper estimate can not be made for advertising purposes,

vs.

TOWN OF WHITMAN

FINAL DECREE

This cause came on to be heard upon an appeal from the decision of the Board of Assessors of the Town of Whitman refusing an abatement of the real estate tax upon the property of the appellants for the year 1970, under the provisions of General Laws, Chapter 59, Section 64.

After a hearing duly held on June 29, 1971, it is ORDERED, ADJUDGED AND DECREED:

- 1. That the property on which the tax is sought to be abated is the residence of the appellants.
2. That the assessed valuation of the real estate owned by the appellants, John and Sophie A. Tamkun, located on 45 Chestnut St., Whitman, is overrated for the reason that the upstairs area is unfinished while other houses in the neighborhood with finished upstairs rooms have been assessed for similar amounts.
3. That the appellants are entitled to abatement of their real estate tax for the year 1970, under the provisions of General Laws, Chapter 59, Section 64.
4. That the house is to be revalued at \$1,000.00 less, (\$14,750.00), the land to remain the same at \$2,350.00, with total revaluation set at \$17,100.00.
5. That the said tax be and hereby is abated in the amount of \$43.40, and reimbursement shall be made as set forth in the provisions of G. L., Chapter 59, Section 69, as amended.

TOWN OF WHITMAN

FINAL DECREE

This cause came on to be heard upon an appeal under General Laws, Chapter 59, Section 64, from the decision of the Board of Assessors of the Town of Whitman denying an application for abatement of a real estate tax for 1970, thereupon, after a hearing duly held and consideration thereof, it is ORDERED, ADJUDGED AND DECREED:

1. That the property on which the tax is sought to be abated is the residence of the appellants.
2. That the assessed valuation of the real estate owned by the appellants, Walter L. and Clara E. Bump, located at 127 Lazel St., Whitman, is overrated for the reasons that there is no basement, no cellar, and is not comparable with assessments of surrounding properties.
3. That the appellants are entitled to abatement of their real estate tax for the year 1970, under the provisions of General Law, Chapter 59, Section 64.
4. That the house is to be revalued at \$1,500.00 less, (\$13,400.00), and to remain the same at \$2,600.00, with total revaluation set at \$16,000.00.
5. That the said tax be and hereby is abated in the amount of \$65.10, and reimbursement shall be made as set forth in the provisions of General Laws, Chapter 59, Section 69, as amended.

Voted, to enter on the records the following report of an inspection of the House of Correction and Jail, in Plymouth.

In accordance with Chapter 126, Section 1 of the General Laws, the regular inspection of the House of Correction and Jail was made on Tuesday, February 8, 1972, by the County Commissioners.

The kitchen and refrigerator were inspected and found in good sanitary condition.

Painting was in progress in the cell blocks.

The boiler room was in very good condition - excellent housekeeping - tools neatly in place and partitioned off.

The sum of \$125,000.00 was requested in the 1972 budget for replacement of plumbing fixtures to continue and complete said program of replacement.

Provisions for funds for springs and mattresses has also been requested in the 1972 budget, because of the number of cells unuseable due to conditions of the springs and mattresses on the beds.

Since March 9, 1971, there have been one thousand, eight hundred sixty-six (1,866) commitments; four hundred eighty-five (485) to the House of Correction and one thousand, three hundred eighty-one (1,381) to the Jail. No deaths have occurred in the institution during this time.

The total number in this institution on February 8, 1972, was one hundred ten (110); one hundred one (101) men and nine (9) women, seventy-eight (78) men and six (6) women in the House of Correction. No. 1450

On the petition of the Selectmen of the Town of Rochester presented to the County Commissioners of Plymouth County at their meeting holden at Plymouth on the fourth day of January in the year of our Lord nineteen hundred and seventy-two representing that the highway in said town known as North Avenue (formerly known as South Middleborough Road) between Braley Hill Road (formerly known as Bedford Street) and a point on the northerly line of North Avenue about 500 feet east of Braley Hill Road is narrow, crooked and inconvenient for use and in need of specific repair, locating anew, or relocation, and the intersections of said highway with connecting streets are dangerous for public travel,

reference being had to the petition filed of record in the case.

The County Commissioners, pursuant to an order of notice duly published, posted and served, by which all persons and corporations interested had due notice thereof, met to view the premises at the County Commissioners' Office, in Plymouth in said County on the seventh day of March A. D. 1972, at 2:30 o'clock in the after noon, and after viewing the premises and hearing all persons and corporations who desired to be heard, they adjudicate and determine that common convenience and necessity require that the prayer of said petition be granted as hereafter set forth; no person or corporation then or at any other time objecting thereto.

And they continue and adjourn said proceedings from time to time for further consideration and to make return thereof, to a meeting of the County Commissioners held at their office in Plymouth on the sixteenth day of May A. D. 1972, when and where they proceed to complete said proceedings and make return thereof as follows, to wit:-

DESCRIPTION OF THE LINES OF PART OF NORTH AVENUE (FORMERLY KNOWN AS SOUTH MIDDLEBOROUGH ROAD) IN THE TOWN OF ROCHESTER BETWEEN BRALEY HILL ROAD (FORMERLY KNOWN AS BEDFORD STREET) AND A POINT ON THE NORTHERLY LINE OF NORTH AVENUE ABOUT 500' EAST OF BRALEY HILL ROAD, AS LAID OUT BY THE COUNTY COMMISSIONERS UNDER PETITION OF THE SELECTMEN FILED JANUARY 4, 1972 AND DECREE NO. 1450.

Easterly Line:

Beginning at a county bound set under Decree No. 777 in the easterly line (side line) of Braley Hill Road (Route 105) at land of the City of New Bedford. Said bound bears south 30° 39' 10" east (Magnetic Meridian) and is seventy-seven and five hundredths (77.05) feet distant from a county bound set under said Decree No. 777 in the westerly line of said Braley Hill Road. The northerly line (side line) of North Avenue thence runs on a curve starting southwesterly and curving southerly and southeasterly of a radius of eighty-five and twenty-six hundredths (85.26) feet through said land of the City of New Bedford one hundred twenty-five and sixty-eight hundredths (125.68) feet to a county bound marking a point of compound curve; thence running on a curve to the left of a radius of one thousand four hundred eighty-eight and twenty-eight hundredths (1,488.28) feet through said land of the City of New Bedford two hundred twenty-one and fifty-one hundredths (221.51) feet to a county bound set in the northerly line of North Avenue as laid out under said Decree No. 777.

MARCH SITTING, 1972

And the easement over all the land lying between the above-described line and the present northerly side line of North Avenue is hereby taken and laid out for highway purposes.

Where necessary, the Commissioners reserve the right to slope for grading purposes on abutting private property.

In the foregoing description, abutting property is stated as owned by those shown as owners on said plan, but it shall be understood that the reference in each case is to the land shown on said plan as owned by the person or persons named whoever in fact the owners may be.

For a further identification and a more particular description reference is hereby made to a plan entitled "Decree No. 1450. Plan of part of North Avenue in the Town of Rochester" as laid out by the County Commissioners under petition of the Selectmen filed January 4, 1972, drawn on a scale of forty (40.00) feet to an inch by Vernon M. Ayles, Consulting Engineer, herewith filed and made a part of this decree.

The grade of the center of the above-described highway when fully completed in accordance with this decree is to conform to the grade of the said highway as at present constructed. Owners of land taken as aforesaid are required to remove their buildings and other obstructions from the lands so taken within thirty days from the date of Decree.

The inhabitants of the town of ROCHESTER aforesaid, are hereby ordered to cause said highway to be constructed as aforesaid, made safe and convenient for the public travel, and to the acceptance of the County Commissioners before the sixteenth day of MAY A. D. 1974.

The sums hereinafter named are awarded to the persons and corporations over whose lands easements are taken for said highway or who suffer damages on account thereof, to be paid from the County Treasury of the County of Plymouth upon the recording of this taking in the Plymouth County Registry of Deeds, to wit:

1	City of New Bedford	1,750	---	\$52.50

All names of owners herein given, although supposed to be correct are such only as matters of opinion and belief.

And said Commissioners order that the foregoing return be filed, accepted and recorded, and that an attested copy thereof be filed in the Registry of Deeds for the County of Plymouth and that an attested copy be transmitted to the Clerk of the Town of ROCHESTER within the limits of which town said highway described herein lies, and that an attested copy be transmitted to the Department of Public Works for the Commonwealth of Massachusetts.

In Witness whereof, we hereunto set our hands and the seal of said County of Plymouth this sixteenth day of MAY in the year of our Lord nineteen hundred and SEVENTY-TWO.

1. That the property on which the tax is sought to be abated is used as a summer residence of owner and family.
2. That the assessed valuation of the real estate owned by the appellants, Albert S. & Julia E. Dias, at 34 Third St., Onset, Mass., is overrated for the reasons that, after a review of the matter, it was agreed by the Assessors that the number of rooms was determined to be six (6) and not eight (8) that were considered for assessment purposes. It was also determined that this house is not fit for year round domicile, as evidenced by an incomplete cellar and a floor furnace that is not capable of adequately heating the house for year round use.
3. That the appellants are entitled to abatement of their real estate tax for the year 1971, under the provisions of General Laws, Chapter 59, Section 64.
4. That the property is to be revalued at \$1,500.00 less, with total revaluation to be \$9,520.00.
5. That the said tax be and hereby is abated in the amount of \$50.85, and reimbursement shall be made as set forth in the provisions of General Laws, Chapter 59, Section 69, as amended.

TOWN OF WHITMAN

FINAL DECREE

This cause came on to be heard upon an appeal from the decision of the Board of Assessors of the Town of Whitman refusing an abatement of the real estate tax upon the property of Charles E. H. Cobb, leased by Roland S. Bowden, for the year 1971, under the provisions of General Laws, Chapter 59, Section 64.

After a hearing duly held on Tuesday, April 18, 1972, at 6:00 P.M., the findings of the County Commissioners are as follows:

1. That the property on which the tax is sought to be abated is the business location of Roland S. Bowden, owned by Charles E. H. Cobb.
2. That the assessed valuation of the real estate owned by Charles E. H. Cobb at 777 Auburn St., Whitman, Mass., is overrated.
3. That Charles E. H. Cobb is entitled to an abatement of his real estate tax for the year 1971, under the provisions of General Laws, Chapter 59, Section 64.

It is therefore ORDERED, ADJUDGED AND DECREED:

1. That the house is to be revalued at \$3,000.00 less, the land to remain the same, with total revaluation to be \$7,300.00.
2. That the said tax be and hereby is abated in the amount of \$148.50 and reimbursement shall be made as set forth in the provisions of General Laws, Chapter 59, Section 69, as amended.

No. 1438

On the petition of the Selectmen of the Town of Middleborough presented to the County Commissioners of Plymouth County at their meeting holden at Plymouth on the thirteenth day of January in the year of our Lord nineteen hundred and seventy, representing that the highway in said town known as part of Wood Street between Wareham Street and Plympton Street is narrow, crooked and inconvenient for use and in need of specific repair, locating anew, or relocation, and the intersections of said highway with connecting streets are dangerous for public travel,

reference being had to the petition filed of record in the case.

The County Commissioners, pursuant to an order of notice duly published, posted and served, by which all persons and corporations interested had due notice thereof, met to view the premises at the County Commissioners' Office in Plymouth in said County on the twelfth day of January A. D. 1971, at 2:30 o'clock in the afternoon, and after viewing the premises and hearing all persons and corporations who desired to be heard, the said hearing was continued and adjourned for further consideration, from time to time, all persons and corporations interested having due notice thereof, to a meeting of the County Commissioners, held at their office in Plymouth on the ninth day of March A. D. 1971, when and where they adjudicate and determine that common convenience and necessity require that the prayer of said petition be granted.

And upon the adjudication aforesaid, the said Commissioners appointed the sixth day of April A. D. 1971, at 2:30 o'clock in the afternoon, at the County Commissioners' Office in Plymouth in said County as the time and place when and where they would proceed to further view the premises, and make such order in relation to said adjudication as by law they might be authorized to do.

And having given notice of such adjudication, and of the time and place appointed for the purposes aforesaid, in the same manner as the notice and publication were given and made before first proceeding to view (except by publishing an abstract of said petition instead of a copy thereof), the said Commissioners met at the time and place appointed and then and there heard all persons and corporations interested, and said hearing was thence adjourned and continued from time to time to the meeting of the County Commissioners held at their office in Plymouth on the twenty-ninth day of August A. D. 1972, when and where they proceed to complete said proceedings and make return thereof as follows, to wit:—

No. 1453

On the petition of the Selectmen of the Town of Carver presented to the County Commissioners of Plymouth County at their meeting holden at Plymouth on the twelfth day of May in the year of our Lord nineteen hundred and seventy-two representing that the highway in said town known as part of Plymouth Street, between Green Street and Main Street is narrow, crooked and inconvenient for use and in need of specific repair, locating anew, or relocation, and the intersections of said highway with connecting streets are dangerous for public travel,

reference being had to the petition filed of record in the case.

The County Commissioners, pursuant to an order of notice duly published, posted and served, by which all persons and corporations interested had due notice thereof, met to view the premises at the County Commissioners' office in Plymouth in said County on the fifth day of July A. D. 19 72, at 2:00 o'clock in the after noon, and after viewing the premises and hearing all persons and corporations who desired to be heard, they adjudicate and determine that common convenience and necessity require that the prayer of said petition be granted as hereafter set forth; no person or corporation then or at any other time objecting thereto.

And they continue and adjourn said proceedings from time to time for further consideration and to make return thereof, to a meeting of the County Commissioners held at their office in Plymouth on the fourteenth day of November A. D. 1972, when and where they proceed to complete said proceedings and make return thereof as follows, to wit:-

AUGUST SITTING, 1972

Northerly Line:

The northerly line (sideline) of part of Plymouth Street begins at a county bound set in the easterly line of Plymouth Street at its intersection with Main Street at land of Andrew Diaz, Jr. and Margis C. Said street when constructed shall be such as to make the way safe and convenient for public travel and shall be to the satisfaction of the County Commissioners.

In the foregoing description, abutting property is stated as owned by those shown as owners on said plan, but it shall be understood that the reference in each case is to the land shown on said plan as owned by the person or persons named whoever in fact the owners may be.

For a further identification and a more particular description reference is hereby made to a plan entitled "Decree No. 1453. Plan of part of Plymouth Street in the Town of Carver" as laid out by the County Commissioners under petition of the Selectmen filed May 12, 1972; drawn on a scale of twenty (20.00) feet to an inch by Vernon M. No. 1446

On the petition of the Selectmen of the Town of WAREHAM presented to the County Commissioners of Plymouth County at their meeting holden at Plymouth on the tenth day of AUGUST in the year of our Lord nineteen hundred and seventy-one representing that the highway in said town known as part of Hathaway Street between end of 1967 layout and Main Street is narrow, crooked and inconvenient for use and in need of specific repair, locating anew, or relocation, and the intersections of said highway with connecting streets are dangerous for public travel.

reference being had to the petition filed of record in the case.

The County Commissioners, pursuant to an order of notice duly published, posted and served, by which all persons and corporations interested had due notice thereof, met to view the premises at the County Commissioners' office in Plymouth in said County on the seventh day of March A. D. 1972, at 3:00 o'clock in the afternoon, and after viewing the premises and hearing all persons and corporations who desired to be heard, the said hearing was continued and adjourned for further consideration, from time to time, all persons and corporations interested having due notice thereof, to a meeting of the County Commissioners, held at their office in Plymouth on the fourth day of April A. D. 1972, when and where they adjudicate and determine that common convenience and necessity require that the prayer of said petition be granted.

And upon the adjudication aforesaid, the said Commissioners appointed the twentieth day of April A. D. 1972 and 2:30 o'clock in the afternoon, at County Commissioners' Office in Plymouth in said County as the time and place when and where they would proceed to further view the premises, and make such order in relation to said adjudication as by law they might be authorized to do.

And having given notice of such adjudication, and of the time and place appointed for the purposes aforesaid, in the same manner as the notice and publication were given and made before first proceeding to view (except by publishing an abstract of said petition instead of a copy thereof), the said Commissioners met at the time and place appointed and then and there heard all persons and corporations interested, and said hearing was thence adjourned and continued from time to time to the meeting of the County Commissioners held at their office in Plymouth on the twenty-first day of November A. D. 1972, when and where they proceed to complete said proceedings and make return thereof as follows, to wit:—

And they continue and adjourn said proceedings from time to time for further consideration and to make return thereof, to a meeting of the County Commissioners held at their office in Plymouth on the twelfth day of December A. D. 1972, when and where they proceed to complete

said proceedings and make return thereof as follows, to wit:-

No. 1460

On the petition of the Selectmen of the Town of Norwell presented to the County Commissioners of Plymouth County at their meeting holden at Plymouth on the twenty-sixth day of September in the year of our Lord nineteen hundred and seventy-two representing that the junction of the highways in said town known as the intersection of Norwell Avenue, Old Oaken Bucket Road and Central Street is narrow, crooked and inconvenient for use and in need of specific repair locating anew, or relocation, and the intersections of said highway with connecting streets are dangerous for public travel,

D. 1972, at 2:00 o'clock in the afternoon, and after viewing the premises and hearing all persons and corporations who desired to be heard, they adjudicate and determine that common convenience and necessity require that the prayer of said petition be granted as hereafter set forth; no person or corporation then or at any other time objecting thereto.
