D. 1975, at five o'clock in the afternoon, by publishing an attested copy of said Adjudication and of this Order thereon, in the Brockton Enterprise Times publication to be seven days at least before the day last aforesaid.

On the petition of the Selectmen of the Town of Carver presented to the County Commissioners of Plymouth County at their meeting holden at Plymouth on the second day of October in the year of our Lord nineteen hundred and seventy-three representing that the highway in said town known as Federal Road between Cranberry Road and the Carver-Wareham Town Line is narrow, crooked and inconvenient for use and in need of specific repair, locating anew, or relocation, and the intersections of said highway with connecting streets are dangerous for public travel,

D. 1974, at 2:00 o'clock in the after noon, and after viewing the premises and hearing all persons and corporations who desired to be heard, they adjudicate and determine that common convenience and necessity require that the prayer of said petition be granted as hereafter set forth; no person or corporation then or at any other time objecting thereto.

And they continue and adjourn said proceedings from time to time for further consideration and to make return thereof, to a meeting of the County Commissioners held at their office in Plymouth on the eighteenth day of February A. No. 1464

On the petition of the Selectmen of the Town of Hanover presented to the County Commissioners of Plymouth County at their meeting holden at Plymouth on the sixth day of November in the year of our Lord nineteen hundred and seventy-two, representing that the highway in said town known as Mill Street between Washington Street (Route 53) and the Norwell Town Line is narrow, crooked and inconvenient for use and in need of specific repair, locating anew, or relocation, and the intersections of said highway with connecting streets are dangerous for public travel,

reference being had to the petition filed of record in the case.

The County Commissioners, pursuant to an order of notice duly published, posted and served, by which all persons and corporations interested had due notice thereof, met to view the premises at the County Commissioners' office in Plymouth in said County on the nineteenth day of June A. D. 1973, at 2:00 o'clock in the afternoon, and after viewing the premises and hearing all persons and corporations who desired to be heard, the said hearing was continued and adjourned for further consideration, from time to time, all persons and corporations interested having due notice thereof, to a meeting of the County Commissioners, held at their office in Plymouth on the seventh day of August A. D. 1973, when and where they adjudicate and determine that common convenience and necessity require that the prayer of said petition be granted.

And upon the adjudication aforesaid, the said Commissioners appointed the eighteenth day of September A. D. 1973 and 2:30 o'clock in the afternoon, at County Commissioners' Office in Plymouth in said County as the time and place when and where they would proceed to further view the premises, and make such order in relation to said adjudication as by law they might be authorized to do.

And having given notice of such adjudication, and of the time and place appointed for the purpose aforesaid, in the same manner as the notice and publication were given and made before first proceeding to view (except by publishing an abstract of said petition instead of a copy thereof), the said Commissioners met at the time and place appointed and then and there heard all persons and corporations interested, and said hearing was thence adjourned and continued from time to time to the meeting of the County Commissioners held at their office in Plymouth on the twenty-third day of December A. D. 1975, when and where they proceed to complete said proceedings and make return thereof as follows, to wit:—

No. 1463

On the petition of the Selectmen of the Town of Halifax presented to the County Commissioners of Plymouth County at their meeting holden at Plymouth on the seventeenth day of October in the year of our Lord nineteen hundred and seventy-two, representing that the highway in said town known as Wood Street between River Street and Fuller Street is narrow, crooked and inconvenient for use and in need of specific repair, locating anew, or relocation, and the intersections of said highway with connecting streets are dangerous for public travel,

reference being had to the petition filed of record in the case.

The County Commissioners, pursuant to an order of notice duly published, posted and served, by which all persons and corporations interested had due notice thereof, met to view the premises at the County Commissioners' office in Plymouth in said County on the twelfth day of November A. D. 1974, at 2:00 o'clock in the afternoon, and after viewing the premises and hearing all persons and corporations who desired to be heard, the said hearing was continued and adjourned for further consideration, from time to time, all persons and corporations interested having due notice thereof, to a meeting of the County Commissioners, held at their office in Plymouth on the fourteenth day of January A. D. 1975, when and where they adjudicate and determine that common convenience and necessity require that the prayer of said petition be granted.

And upon the adjudication aforesaid, the said Commissioners appointed the eleventh day of February A. D. 1975 and 5:00 o'clock in the afternoon, at County Commissioners' Office in Plymouth in said County as the time and place when and where they would proceed to further view the premises, and make such order in relation to said adjudication as by law they might be authorized to do.

And having given notice of such adjudication, and of the time and place appointed for the purposes aforesaid, in the same manner as the notice and publication were given and made before first proceeding to view (except by publishing an abstract of said petition instead of a copy thereof), the said Commissioners met at the time and place appointed and then and there heard all persons and corporations interested, and said hearing was thence adjourned and continued from time to time to the meeting of the County Commissioners held at their office in Plymouth on the twentieth day of January A. D. 1976, when and where they proceed to complete said proceedings and make return thereof as follows, to wit:—

No. 1488

On the petition of the Selectmen of the Town of Plympton presented to the County Commissioners of Plymouth County at their meeting holden at Plymouth on the eighth day of July in the year of our Lord nineteen hundred and seventy-five representing that the highway in said town known as Crescent Street between Main Street and Upland Road is narrow, crooked and inconvenient for use and in need of specific repair, locating anew, or relocation, and the intersections of said highway with connecting streets are dangerous for public travel,

The County Commissioners, pursuant to an order of notice duly published, posted and served, by which all persons and corporations interested had due notice thereof, met to view the premises at the County Commissioners Office, in Plymouth, in said County on the second day of September A. D. 1975, at 4:00 o'clock in the after noon, and after viewing the premises and hearing all persons and corporations who desired to be heard, they adjudicate and determine that common convenience and necessity require that the prayer of said petition be granted as hereafter set forth; no person or corporation then or at any other time objecting thereto.

And they continue and adjourn said proceedings from time to time for further consideration and to make return thereof, to a meeting of the County Commissioners held at their office in Plymouth on the third day of February A. D. 1976, when and where they proceed to complete said proceedings and make return thereof as follows, to wit:-

AT A REGULAR MEETING OF THE COUNTY COMMISSIONERS HOLDEN AT PLYMOUTH ON THE SEVENTEENTH DAY OF FEBRUARY A. D. 1976:

Voted to place upon the records of the County Commissioners notice of the death of Lawrence F. Marden, Treasurer of Plymouth County, on Sunday, February 1, 1976.

Mr. Marden was elected Treasurer in November 1972.

With his recent passing away, the Plymouth County Commissioners extend their deepest sympathy to his family. For the residents of Plymouth County, the Commissioners will place in the official records of the County the quality of performance in the Treasurer's office.

At a time when the credibility of office-holders is seriously questioned, it must be clearly noted that the fiscal affairs of our county were managed and directed with a dexterity rarely equaled. Mr. Marden has implemented a system through his staff which is a model for other offices. His personal inspiration of trust and encouragement played a singular role in this achievement.

Although he was generally known as blunt and to the point in most matters, he was appreciated, especially by people in need of advice and assistance, as a man of compassion and exceptional understanding. Even in his final moments of life, Mr. Marden expressed concern for the best interests of his office and Plymouth County.

Lawrence F. (Larry) Marden will be missed, but out of our loss is a redeeming factor -- in the memory of this distinguished man we can regroup the tenets of his personal leadership by honoring truth with a renewed strength of conviction. In this manner we may approach the dignity of the man and the integrity of his performance.

It is further voted to send a copy of this vote to the bereaved family.

No. 1403 Amendment

On the petition of the Selectmen of the Town
of Mattapoisett presented to the County Commissioners
of Plymouth County at their meeting holden at Plymouth on the thirtieth
day of September in the year of our Lord nineteen
hundred and seventy-five representing that the highway
in said town known as Brandt Island Road at the intersection of
Route 6 is narrow, crooked and inconvenient for use and in need
of specific repair, locating anew, or relocation, and the inter-
sections of said highway with connecting streets are dangerous
for public travel,

reference being had to the petition filed of record in the case.

The County Commissioners, pursuant to an order of notice duly published, posted
and served, by which all persons and corporations interested had due notice thereof, met
to view the premises at the County Commissioners' office, in Plymouth,
in said
County on the eighteenth day of November A. D. 1975,
at 3:30 o'clock in the after noon, and after viewing the premises
and hearing all persons and corporations who desired to be heard, they adjudicate and
determine that common convenience and necessity require that the prayer of said peti-
tion be granted as hereafter set forth; no person or corporation then or at any other time
objecting thereto.

And they continue and adjourn said proceedings from time to time for further con-
sideration and to make return thereof, to a meeting of the County Commissioners
held at their office in Plymouth on the seventeenth day
of February A. D. 1976, when and where they proceed to complete
said proceedings and make return thereof as follows, to wit:-

THE COUNTY COMMISSIONERS UNDER PETITION
OF THE SELECTMEN FILED SEPTEMBER 30, 1975,
AND AMENDMENT TO DECREE NO. 1403.

Westerly Line:

The westerly line (side line) of part of Brandt
Island Road begins at a county bound at land of Harold Mor-
ris and Raymond Eisenberg, said bound bears south 63° 30'
19" west and is fifty-six and forty-seven hundredths (56.47)
feet distant from a Commonwealth of Massachusetts Highway

Road. The westerly line of Brandt Island Road thence runs
on a curve starting northeasterly and curving easterly and
southeasterly on a radius of forty (40.00) feet through said
land of Harold Morris and Raymond Eisenberg sixty-two and
eighty-three hundredths (62.83) feet to a county bound; thence
running south 26° 29' 41" east through said land of Harold
Morris and Raymond Eisenberg ninety-nine and twenty-two hun-
dredths (99.22) feet to a county bound marking the end of this
layout and bearing north 11° 45' 10" west and one hundred two
and three hundredths (102.03) feet distant from a county bound
set under Decree No. 1403, petition of the Selectmen dated
October 10, 1967.

And the easement over all the land lying between
the above-described line and the present westerly side line of
Brandt Island Road is hereby taken and laid out for highway
purposes.

Where necessary, the Commissioners reserve the
right to slope for grading purposes on abutting private property.

JANUARY SITTING, 1976

In the foregoing description, abutting property is stated as owned by those shown as owners on said plan, but it shall be understood that the reference in each case is to the land shown on said plan as owned by the person or persons named whoever in fact the owners may be.

For a further identification and a more particular description reference is hereby made to a plan entitled "Amendment to Decree No. 1403. Plan of part of Brandt Island Road in the Town of Mattapoisett" as laid out by the County Commissioners under petition of the Selectmen filed September 30, 1975, drawn on a scale of forty (40.00) feet to an inch by Joseph F. Monahan, Consulting Engineer, herewith filed and made a part of this decree.

The grade of the center of the above-described highway when fully completed in accordance with this decree is to conform to the grade of the said highway as at present constructed. Owners of land taken as aforesaid are required to remove their buildings and other obstructions from the lands so taken within thirty days from the date of Decree.

The inhabitants of the town of Mattapoisett aforesaid, are hereby ordered to cause said highway to be constructed as aforesaid, made safe and convenient for the public travel, and to the acceptance of the County Commissioners before the seventeenth day of February A. D. 19 78.

The sums hereinafter named are awarded to the persons and corporations over whose lands easements are taken for said highway or who suffer damages on account thereof, to be paid from the County Treasury of the County of Plymouth upon the recording of this taking in the Plymouth County Registry of Deeds, to wit:

<u>Parcel No.</u>	<u>Supposed Owner</u>	<u>Sq. Ft. Taken</u>	<u>Sq. Ft. Discontinued</u>	<u>Award</u>
1	Harold Morris and Raymond Eisenberg	2,787	---	\$211.48

All names of owners herein given, although supposed to be correct are such only as matters of opinion and belief.

And said Commissioners order that the foregoing return be filed, accepted and recorded, and that an attested copy thereof be filed in the Registry of Deeds for the County of Plymouth and that an attested copy be transmitted to the Clerk of the Town of Mattapoisett within the limits of which town said highway described herein lies, and that an attested copy be transmitted to the Department of Public Works for the Commonwealth of Massachusetts.

In Witness whereof, we hereunto set our hands and the seal of said County of Plymouth this seventeenth day of February in the year of our Lord nineteen hundred and seventy-six.

Handwritten signatures of three County Commissioners: Edward J. Burke, John J. Barry, and Edward J. Barry. The text "County Commissioners" is printed to the right of the signatures.

Partial Decree No. 1461

PLYMOUTH, ss.

On the petition of the Selectmen of the Town of Wareham presented to the County Commissioners of Plymouth County at their meeting holden at Plymouth on the twelfth day of March in the year of our Lord nineteen hundred and seventy-four, representing that the highway in said town known as part of Glen Charlie Road, Section I, starting at station 29 + 00 for a distance of 3,440 feet to a point approximately 150 feet west of north court is narrow, crooked and inconvenient for use and in need of specific repair, locating anew, or relocation, and the intersections of said highway with connecting streets are dangerous for public travel.

reference being had to the petition filed of record in the case.

The County Commissioners, pursuant to an order of notice duly published, posted and served, by which all persons and corporations interested had due notice thereof, met to view the premises at the County Commissioners' office in Plymouth in said County on the twentieth day of May A. D. 19 75, at 3:30 o'clock in the afternoon, and after viewing the premises and hearing all persons and corporations who desired to be heard, the said hearing was continued and adjourned for further consideration, from time to time, all persons and corporations interested having due notice thereof, to a meeting of the County Commissioners, held at their office in Plymouth on the eighth day of July A. D. 19 75, when and where they adjudicate and determine that common convenience and necessity require that the prayer of said petition be granted.

And upon the adjudication aforesaid, the said Commissioners appointed the nineteenth day of August A. D. 19 75, at 2:30 o'clock in the afternoon, at the County Commissioners' office in Plymouth in said County as the time and place when and where they would proceed to further view the premises, and make such order in relation to said adjudication as by law they might be authorized to do.

And having given notice of such adjudication, and of the time and place appointed for the purposes aforesaid, in the same manner as the notice and publication were given and made before first proceeding to view (except by publishing an abstract of said petition instead of a copy thereof), the said Commissioners met at the time and place appointed and then and there heard all persons and corporations interested, and said hearing was thence adjourned and continued from time to time to the meeting of the County Commissioners held at their office in Plymouth on the twenty-seventh day of April A. D. 19 76, when and where they proceed to complete said proceedings and make return thereof as follows, to wit:—

Partial Decree No. 1481

On the petition of the Selectmen of the Town of Wareham presented to the County Commissioners of Plymouth County at their meeting holden at Plymouth on the twelfth day of March in the year of our Lord nineteen hundred and seventy-four, representing that the highway in said town known as part of Glen Charlie Road, Section II, running northerly to a point approximately 275 feet north of Agawam Road is narrow, crooked and inconvenient for use and in need of specific repair, locating anew, or relocation, and the inter-sections of said highway with connecting streets are dangerous for public travel,

reference being had to the petition filed of record in the case.

The County Commissioners, pursuant to an order of notice duly published, posted and served, by which all persons and corporations interested had due notice thereof, met to view the premises at the County Commissioners' office in Plymouth in said County on the twentieth day of May A. D. 19 75, at 3:30 o'clock in the afternoon, and after viewing the premises and hearing all persons and corporations who desired to be heard, the said hearing was continued and adjourned for further consideration, from time to time, all persons and corporations interested having due notice thereof, to a meeting of the County Commissioners, held at their office in Plymouth on the eighth day of July A. D. 19 75, when and where they adjudicate and determine that common convenience and necessity require that the prayer of said petition be granted.

And upon the adjudication aforesaid, the said Commissioners appointed the nineteenth day of August A. D. 19 76, and 2:30 o'clock in the afternoon, at County Commissioners' Office in Plymouth in said County as the time and place when and where they would proceed to further view the premises, and make such order in relation to said adjudication as by law they might be authorized to do.

And having given notice of such adjudication, and of the time and place appointed for the purposes aforesaid, in the same manner as the notice and publication were given and made before first proceeding to view (except by publishing an abstract of said petition instead of a copy thereof), the said Commissioners met at the time and place appointed and then and there heard all persons and corporations interested, and said hearing was thence adjourned and continued from time to time to the meeting of the County Commissioners held at their office in Plymouth on the twentieth day of July A. D. 19 76, when and where they proceed to complete said proceedings and make return thereof as follows, to wit:—

The inhabitants of the town of CARVER aforesaid, are hereby ordered to cause said highway to be constructed as aforesaid, made safe and convenient for the public travel, and to the acceptance of the County Commissioners before the third day of AUGUST A. D. 1976.

The sums hereinafter named are awarded to the persons and corporations over whose lands easements are taken for said highway or who suffer damages on account thereof, to be paid from the County Treasury of the County of Plymouth upon the recording of this taking in the Plymouth County Registry of Deeds, to wit:

AT A REGULAR MEETING OF THE COUNTY COMMISSIONERS
HOLDEN AT PLYMOUTH ON THE SEVENTH DAY OF SEPTEMBER A. D. 1976:

Discussion was held on a Third-Step Grievance held before the Plymouth County Commissioners on August 31, 1976 in accordance with Article III, Section 2, Step 3 of the Collective Bargaining Agreement between the Mass. Nurses Association and the County of Plymouth. The three Grievants, Carole A. Karlson, Shirley I. Brewer and Janet R. Dickson, all contend that the selection of another person as In-Service Education Instructor violates Article IV, Section 2 of the Contract, which states in pertinent part: "...The position shall be filled on the basis of ability and qualification; and where relatively equal, seniority shall be determinative."

ISSUE: Whether the ability and qualifications of the individual selected as In-Service Education Instructor was, in fact, relatively equal to those of the Grievants.

VOTED to deny the Grievance on the basis of the reports and documentation submitted to the Plymouth County Commissioners; and after hearing oral argument by each side to the Grievance, it is determined that the Grievants have failed to prove that their ability and qualifications were relatively equal to the person selected as In-Service Education Instructor. Therefore, seniority does not constitute the sole basis of selection, and the Grievance is denied.

No. 1479

On the petition of the Selectmen of the Town
of Hanover presented to the County Commissioners
of Plymouth County at their meeting holden at Plymouth on the second
day of October in the year of our Lord nineteen
hundred and seventy-three representing that the highway
in said town known as Center Street between Myrtle Street and
Broadway is narrow, crooked and inconvenient for use and in
need of specific repair, locating anew, or relocation, and the
intersections of said highway with connecting streets are dan-
gerous for public travel,

The County Commissioners, pursuant to an order of notice duly published, posted
and served, by which all persons and corporations interested had due notice thereof, met
to view the premises at the County Commissioners' office, in Plymouth,
in said
County on the second day of March A. D. 1976,
at 3:30 o'clock in the afternoon, and after viewing the premises
and hearing all persons and corporations who desired to be heard, they adjudicate and
determine that common convenience and necessity require that the prayer of said peti-
tion be granted as hereafter set forth; no person or corporation then or at any other time
objecting thereto.

And they continue and adjourn said proceedings from time to time for further con-
sideration and to make return thereof, to a meeting of the County Commissioners
held at their office in Plymouth on the twenty-eighth day
of September A. D. 1976, when and where they proceed to complete

Partial Decree
No. 1488

PLYMOUTH, ss.

On the petition of the Selectmen of the Town of Wareham presented to the County Commissioners of Plymouth County at their meeting holden at Plymouth on the twelfth day of MARCH in the year of our Lord nineteen hundred and seventy-four, representing that the highway in said town known as part of Glen Charlie Road, Section III, between a point approximately 275 feet north of Agawam Road running northeasterly a distance of 3500 feet, more or less, to the intersection of Glen Road is narrow, crooked and inconvenient for use and in need of specific repair, locating anew, or relocation, and the intersections of said highway with connecting streets are dangerous for public travel,

reference being had to the petition filed of record in the case.
The County Commissioners, pursuant to an order of notice duly published, posted and served, by which all persons and corporations interested had due notice thereof, met to view the premises at the County Commissioners' office in Plymouth in said County on the twentieth day of May A. D. 1975, at 3:30 o'clock in the AFTER noon, and after viewing the premises and hearing all persons and corporations who desired to be heard, the said hearing was continued and adjourned for further consideration, from time to time, all persons and corporations interested having due notice thereof, to a meeting of the County Commissioners, held at their office in Plymouth on the eighth day of July A. D. 1975, when and where they adjudicate and determine that common convenience and necessity require that the prayer of said petition be granted.
And upon the adjudication aforesaid, the said Commissioners appointed the nineteenth day of August A. D. 1975, and 2:30 o'clock in the After noon, at County Commissioners' office in Plymouth in said County as the time and place when and where they would proceed to further view the premises, and make such order in relation to said adjudication as by law they might be authorized to do.
And having given notice of such adjudication, and of the time and place appointed for the purposes aforesaid, in the same manner as the notice and publication were given and made before first proceeding to view (except by publishing an abstract of said petition instead of a copy thereof), the said Commissioners met at the time and place appointed and then and there heard all persons and corporations interested, and said hearing was thence adjourned and continued from time to time to the meeting of the County Commissioners held at their office in Plymouth on the fifth day of OCTOBER A. D. 1976, when and where they proceed to complete said proceedings and make return thereof as follows, to wit:—
