COUNTY COMMISSIONERS

AT A REGULAR MEETING OF THE COUNTY COMMISSIONERS HOLDEN AT PLYMOUTH ON THE FIFTEENTH DAY OF MARCH A. D. 1977:

A Third-Step Grievance hearing was held before the County Commissioners on March 15, 1977, in accordance with Article III, Step 3, of the Collective Bargaining Agreement between the County and Local 2745, A.F.S.C.&M.E., AFL-CIO, Council #41. The Grievance filed was brought on behalf of all Bargaining Unit members represented by the Union; and involved an interpretation under Article XIII, concerning the Union's claim of entitlement for holiday pay on a day in which a Bargaining Unit member is on sick leave.

Issue: Whether Article XIII of the Collective Bargaining Agreement affords Bargaining Unit members the right to holiday pay when such person is on sick leave.

Discussion: The Grievance states, and the Union has admitted at the hearing, that the past practice at the Plymouth County Hospital has been to not grant holiday pay to an employee who has taken sick leave on the date of the holiday. The language in Article XIII does not give rise to a different interpretation. Thus, Paragraph (3) allows holiday pay in only two situations when a holiday falls on a day in which an employee is absent from work. The first situation occurs when the employee is on a day off; and the second occurs when the employee is on vacation.

MARCH SITTING, 1977

The union takes the position that Paragraph (1) of the same Article affords Bargaining Unit members the right to paid holidays regardless of whether they work the holiday, are on a day off when the holiday falls, or are excused from work with pay, pursuant to a contractual benefit, such as vacations, sick leave, or injury leave. Such a position is deemed to be unwarranted, since Paragraph (3) clarifies and restricts the manner in which holidays shall be paid. Support for this position is also found under the rules of the County Personnel Board.

Voted to deny the Grievance on the basis of the documentation submitted to the Plymouth County Commissioners and oral arguments by each side to the Grievance. It is, therefore, the determination that the Union has failed to substantiate its contractual right to paid holidays when a Bargaining Unit member is on sick leave with pay.

of the Town of Carver presented to the County Commissioners of Plymouth County at their meeting holden at Plymouth on the sixth day of February in the year of our Lord nineteen hundred and seventy-three representing that the highway in said town known as Rochester Road between Route 58 and Middleborough line on Rochester Road is narrow, crooked and inconvenient for use and in need of specific repair, locating anew, or relocation, and the intersections of said highway with connecting streets are dangerous for public travel,

D. 1976, at 4:00 o'clock in the after noon, and after viewing the premises and hearing all persons and corporations who desired to be heard, they adjudicate and determine that common convenience and necessity require that the prayer of said petition be granted as hereafter set forth; no person or corporation then or at any other time objecting thereto.

And they continue and adjourn said proceedings from time to time for further consideration and to make return thereof, to a meeting of the County Commissioners held at their office in Plymouth on the twenty-sixth day of April A. AT A REGULAR MEETING OF THE COUNTY COMMISSIONERS HOLDEN AT PLYMOUTH ON THE TWENTIETH DAY OF DECEMBER A. D. 1977:

Voted, on a motion by Commissioner Joseph W. McCarthy, seconded by Commissioner John J. Franey to accept the statement prepared by Sheriff Linwood H. Snow regarding the matter of the Decision and Order of the Massachusetts Labor Relations Commission in the case of the Plymouth County House of Correction, MUP-2234 and 2429, text of said statement as follows:

"After almost three years of litigation before the Massachusetts Labor Relations Commission, a decision was rendered which orders the reinstatement of four Correctional Officers whom I had discharged.

Following much thought and discussion with my attorney, Mr. Siskind, regarding this decision of the labor relations board, we feel that while we do not agree with the decision, and we do have the right to appeal, that the best course of action is to accept the decision, incur no further expenses, and get back to the operation of the House of Correction. Bearing in mind that the County Commissioners must agree or disagree with my decision, I have instructed my attorney to notify the four guards involved to report to work as soon as the legal steps of notification and scheduling can be worked out.

Not to be taken as an excuse, however, I would like to say further that in assessing the actions of the Labor Relations Board, it should be noted that approximately 26 months passed after the first case was heard, and approximately 14 months passed after the second case was heard, before any decision was rendered.

The Labor Relations Commission made its decision based on separate discharge cases, one of which was tried in September, 1975, and the other through the summer of 1976, and yet they were both decided in December, 1977. It was totally unfair to consolidate these two cases, let alone to allow such an unreasonable time period to pass by without deciding each of these cases on their individual merits. Yet, the fact of the matter is that this is the way this State Agency has ruled.

I feel that this type of delay is absolutely unnecessary, especially when there is back pay involved which the taxpayers must pay; but in fairness to the Commission, I think it is disgraceful that any government agency be so understaffed and underfunded so as to necessitate this type of delay.

I am disappointed that the Commission failed to understand all of the factors involved prior to my decisions, but to continue the matter after so much time has already elapsed would be absolutely unfair to the taxpayers of Plymouth County.

In defense of my actions during the time these discharges took place, there were many problems that I felt threatened the safety of correctional officers and inmates and also the security of the institution. It is this safety and security that was my primary concern.

In closing, and in apology to those taxpayers who may feel an injustice has been done to them by my decisions, I must state that I acted in good faith and felt that these decisions were made for the good of the institution and those involved therein.

AT A REGULAR MEETING OF THE COUNTY COMMISSIONERS, AS TRUSTEES OF THE PLYMOUTH COUNTY HOSPITAL, HOLDEN AT HANSON ON THE EIGHTEENTH DAY OF JANUARY A. D. 1978:

A Third-Step Grievance hearing was held before the County Commissioners on January 18, 1978, in accordance with Article III, Step 3 of the Collective Bargaining Agreement between the County and Local 2745, A.F.S.C. & M.E., AFL-CIO, Council 41. The Grievance was filed by the Union on behalf of John Pike, a Fireman employed at the Plymouth County Hospital.

Issue: The Grievance concerns whether the Grievant was eligible for enrollment into the County Medical Program while he was temporarily filling the permanent position of Steam Fireman.

Discussion: The Union contended at the hearing that the Grievant was entitled for enrollment under the Group Insurance Medical Plan so long as he was employed at a bargaining unit position. The Hospital Administration brought to the County's attention the fact that G.L. (Ter.Ed.) Chapter 32B, Section 2, Paragraph d, states:

"No seasonal employee or emergency employee shall be included."

The Hospital Administration further introduced the fact that the Grievant was hired under emergency employment; and that in fact, he was not defined as a temporary employee.

The Commissioners, after reviewing all of the evidence in this case, are persuaded that the Grievance is determined by the language under the Group Insurance Law, cited in the above-referenced statute.

Voted: To deny the Grievance on the basis of documentation submitted to the Plymouth County Commissioners and oral arguments by each side to the Grievance.

AT A REGULAR MEETING OF THE COUNTY COMMISSIONERS,
AS TRUSTEES OF THE PLYMOUTH COUNTY HOSPITAL, HOLDEN AT
HANSON ON THE EIGHTEENTH DAY OF JANUARY A. D. 1978:

A Third-Step Grievance hearing was held before the County Commissioners on January 18, 1978, in accordance with Article III, Step 1 of the Collective Bargaining Agreement between the County and Local 2745, A.P.S.C.&M.E., AFL-CIO, Council 41. The Grievance filed was brought on behalf of Carol Pollock, an Attendant Nurse employed at the Plymouth County Hospital, who was duly represented by the above Union. The Grievance concerned a re-assignment of the Grievant from the night shift to the day shift, and the Grievant contests the validity of such re-assignment under the Collective Bargaining Agreement.

Issue: Whether the re-assignment of the Grievant violates Article IV (Discrimination and Coercion) and Article VIII, 2nd Paragraph (Hours of work), of the Collective Bargaining Agreement.

Discussion: The Union offered no credible evidence to support the fact that the Grievant's assignment was discriminatory or coercive within the meaning of Article IV of the contract.

The Grievant apparently relies on Article VIII, Paragraph 2, which states in essence:

"Should the Employer, except in the case of emergency, determine it necessary to re-assign employees to another shift... such assignment shall be made with due regard to seniority within the particular classification affected."

The Grievant takes the position that "due regard to seniority" has not been followed; and therefore, she is entitled to remain on her present night shift.

The Commissioners have reviewed the evidence submitted by the Union; and likewise, the evidence submitted by the Hospital Administration. It takes particular note of the latter's evidence relating to the poor performance of the Grievant and the rights granted under the Management Rights Clause found in Article V. The Commissioners view the action of the Hospital Administration as being privileged under Article VIII, because of the poor work performance record of the Grievant; and further, because given this context, the Hospital is not bound to give due regard to seniority in such a context.

Voted: To deny the Grievance on the basis of documentation submitted to the Plymouth County Commissioners and oral arguments by each side to the Grievance.

To the Honorable Board of County Commissioners—

Respectfully represents your petitioners, the Selectmen of the town of Plympton, that the highway in said town known as Forest Street between Oak Street and the Kingston Town Line

AT A REGULAR MEETING OF THE COUNTY COMMISSIONERS
HOLDEN AT PLYMOUTH ON THE SIXTH DAY OF JUNE A. D. 1978:

A Third-Step Grievance was presented to the County Commissioners by Plymouth County Hospital Employees, Local 2745, A.F.S.C.M.E., AFL-CIO on behalf of Donna Jackson. The question presented is whether the employee is entitled to a \$100.00 uniform allowance under Article XXI of the collective bargaining agreements which provides as follows:

"All bargaining unit employees who are required to wear a uniform during their working hours, shall be entitled to an annual uniform allowance in the sum of \$100.00, on condition that each entitled employee is employed continuously from January 1st through September 1st of each year."

The Commissioners note that the employee during the grievance period was employed as an Attendant Nurse; and in such capacity was required to wear a uniform. Further note was made that the employee was employed on a part-time basis and between the period from January 1, 1977 to January 26, 1977 she was on leave without pay.

The Commissioners have reviewed the responses from Steps One and Two of the Grievance procedure and conclude that denial was justified. In addition it is determined that part-time employees are dis-entitled from receiving the uniform allowance.

Voted to deny the grievance.
