Respectfully represents your petitioners, the Selectmen of the town of Bridgewater, that the highway in said town known as State Farm Road between Bedford Street (Route 18) and Conant Street

We therefore pray that your Honorable Board cause a hearing to be held and make such order as in your judgment the public necessity and convenience require.

vs.

TOWN OF WEST BRIDGewater

FINAL DECREE

This cause came on to be heard upon an appeal under General Laws, Chapter 59, Section 64, from the decision of the Board of Assessors of the Town of West Bridgewater, denying an application for abatement of a real estate tax for 1981.

After a hearing duly held on February 10, 1981, and consideration thereof, it is ORDERED, ADJUDGED AND DECREED:

That the assessed valuation of the real estate on which the tax is sought to be abated is overrated as the lot is undeveloped and somewhat lower than others in the area.

That it was unanimously voted to allow a reduction of assessment by \$1,500.00.

That said tax be and hereby is abated and reimbursement be made as set forth in the provisions of General Laws, Chapter 59, Section 69, as amended.

FINAL DECREE

This cause came on to be heard upon an appeal under General Laws, Chapter 59, Section 64, from the decision of the Board of Assessors of the Town of West Bridgewater, denying an application for abatement of a real estate tax for 1981.

No. 1509

On the petition of the Selectmen  
of the Town of Bridgewater presented to the County Commissioners  
of Plymouth County at their meeting holden at Plymouth on the sixteenth  
day of October in the year of our Lord nineteen  
hundred and seventy-nine representing that the highway in  
said town known as State Farm Road between Bedford Street and  
Conant Street is narrow, crooked and inconvenient for use and  
in need of specific repair, locating anew, or relocation, and  
the intersections of said highway with connecting streets are  
dangerous for public travel,

reference being had to the petition filed of record in the case.

The County Commissioners, pursuant to an order of notice duly published, posted  
and served, by which all persons and corporations interested had due notice thereof, met  
to view the premises at the County Commissioners' office, in Plymouth,  
in said  
County on the twenty-fourth day of February, A. D. 1981,  
at 1:30 o'clock in the after noon, and after viewing the premises  
and hearing all persons and corporations who desired to be heard, they adjudicate and  
determine that common convenience and necessity require that the prayer of said peti-  
tion be granted as hereafter set forth; no person or corporation then or at any other time  
objecting thereto.

And they continue and adjourn said proceedings from time to time for further con-  
sideration and to make return thereof, to a meeting of the County Commissioners

of June, A. D. 1981, when and where they proceed to complete  
said proceedings and make return thereof as follows, to wit:—

TOWN OF WEST BRIDGEWATER

FINAL DECREE

This cause came on to be heard upon an appeal under General Laws, Chapter 59, Section 64, from the decision of the Board of Assessors of the Town of West Bridgewater, denying an application for abatement of a real estate tax for 1981.

That the assessed valuation of the real estate on which the tax is sought to be abated is overrated on the land value only.

That it was unanimously voted to allow a reduction of land assessment by \$1,000.00.

That said tax be and hereby is abated and reimbursement be made as set forth in the provisions of General Laws, Chapter 59, Section 69, as amended.

AT A REGULAR MEETING OF THE COUNTY COMMISSIONERS HOLDEN AT PLYMOUTH ON THE FOURTEENTH DAY OF JULY A. D. 1981:

Voted, following a review of the draft contract proposal between the American Federation of State County and Municipal Employees, AFL-CIO, Council #93, Local 2745 and the County of Plymouth at Plymouth County Hospital, to disapprove the Draft Contract Proposal on the following points:

1. ARTICLE VII: The Commissioners do not agree with paragraph two which provides that economic benefits granted by the Commonwealth to the Alliance be extended to members of this bargaining unit. The purpose of a separate economic package is to provide advance budgeting to pay the benefits as bargained to the Union. Historically, the County has been unable to grant benefits tied to a State Contract until appropriations have been made after long periods of time. This provision is unreasonable in the light of the fact that the County prefers an independent contract, rather than a tie to the Commonwealth.
2. ARTICLE XI: Under a recent Supreme Court Decision, a benefit cannot be granted that is in excess of State Statute. Therefore, we cannot agree to the provisions that requires a greater benefit than that granted by M.G.L. Chapter 152 in the case of patient violence.
3. ARTICLE XIII: "ADDITIONAL BENEFITS" The first paragraph of this provision is unacceptable. We are attempting to provide a Contract that can be budgeted in advance. This provision will not allow us to do that. Further, the economic impact of this provision cannot be calculated. In this period of economic austerity, we cannot entertain this request.

A Grievance was presented to the County Commissioners by A.F.S.C.M.E., AFL-CIO, Local 2745 of the Plymouth County Hospital in behalf of all members of the bargaining unit, grieving for five (5) weeks vacation after nineteen and one-half (19 1/2) years of service, and, further

Grieving, in behalf of all members of the bargaining unit, for twenty (20%) percent buy-back of accumulated sick leave upon retirement.

1. The Contract between A.F.S.C.M.E., Local 2745 and the County of Plymouth gives State Alliance benefits to members of the A.F.S.C.M.E. Union at the Plymouth County Hospital.

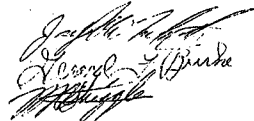

2. The burden of substantiating the ratification and funding of the State Alliance Contract should be on the A.F.S.C.M.E., Local 2745. However, the Bargaining Unit has never produced adequate evidence to that effect. Substantiation was finally received through the County Labor Counsel in correspondence from the Office of Employee Relations, Commonwealth of Massachusetts.

3. The subjects of this Grievance were part of the State Alliance Contract that was ratified by the Commonwealth in the appropriation bill Chapter 329 of the Acts of 1980.

After a full review of all the pertinent facts of this Grievance, the Plymouth County Commissioners make the following determination:

1. Five (5) weeks vacation will be granted after nineteen and one-half years of service from July 1, 1980.
2. The twenty (20%) percent buy-back provision will be calculated back to July 1, 1980 and will be further calculated for the current fiscal year and appropriate Legislation will be filed to provide adequate funding.

Voted, to grant the Grievance in accordance with Items One and Two listed above.

No. 1499

On the petition of the Selectmen Carver presented to the County Commissioners of Plymouth County at their meeting holden at Plymouth on the twenty-ninth day of August in the year of our Lord nineteen hundred and seventy-seven, representing that the highway in said town known as Plymouth Street running from Center Street, easterly approximately twenty nine hundred (2900) feet to that section of Plymouth Street described in Decree No. 1489 is narrow, crooked and inconvenient for use and in need of specific repair, locating anew, or relocation, and the intersections of said highway with connecting streets are dangerous for public travel,

reference being had to the petition filed of record in the case.

The County Commissioners, pursuant to an order of notice duly published, posted and served, by which all persons and corporations interested had due notice thereof, met to view the premises at the Town Hall in Carver in said County on the seventeenth day of June A. D., 1980, at 4:00 o'clock in the afternoon, and after viewing the premises and hearing all persons and corporations who desired to be heard, the said hearing was continued and adjourned for further consideration, from time to time, all persons and corporations interested having due notice thereof, to a meeting of the County Commissioners, held at their office in Plymouth on the fifth day of August A. D., 1980, when and where they adjudge and determine that common convenience and necessity require that the prayer of said petition be granted.

And upon the adjudication aforesaid, the said Commissioners appointed the ninth day of September A. D., 1980, and 4:00 o'clock in the afternoon, at the Town Hall in Carver in said County as the time and place when and where they would proceed to further view the premises, and make such order in relation to said adjudication as by law they might be authorized to do.

And having given notice of such adjudication, and of the time and place appointed for the purposes aforesaid, in the same manner as the notice and publication were given and made before first proceeding to view (except by publishing an abstract of said petition instead of a copy thereof), the said Commissioners met at the time and place appointed and then and there heard all persons and corporations interested, and said hearing was thence adjourned and continued from time to time to the meeting of the County Commissioners held at their office in Plymouth on the fourth day of August A. D., 1981, when and where they proceed to complete said proceedings and make return thereof as follows, to wit:—

On the petition of the Selectmen  
of Carver presented to the County Commissioners of Plymouth County  
at their meeting holden at Plymouth on the sixth day of February  
in the year of our Lord nineteen hundred and seventy-three, representing that  
the highway in said town known as Church Street between Tremont  
Street and Seipet Street is narrow, crooked and inconvenient for  
use and in need of specific repair, locating anew, or relocation  
and the intersections of said highway with connecting streets  
are dangerous for public travel,

reference being had to the petition filed of record in the case.

The County Commissioners, pursuant to an order of notice duly published, posted and served, by which all persons and corporations interested had due notice thereof, met to view the premises at the County Commissioners' office, Plymouth in said County on the fourteenth day of April A. D., 19 81, at 2:00 o'clock in the after noon, and after viewing the premises and hearing all persons and corporations who desired to be heard, the said hearing was continued and adjourned for further consideration, from time to time, all persons and corporations interested having due notice thereof, in a meeting of the County Commissioners, held at their office in Plymouth on the fifth day of May A. D., 19 81, when and where they adjudicate and determine that common convenience and necessity require that the prayer of said petition be granted.

And upon the adjudication aforesaid, the said Commissioners appointed the twenty-sixth day of May A. D., 19 81 and 1:30 o'clock in the after noon, at County Commissioners' office in Plymouth in said County as the time and place when and where they would proceed to further view the premises, and make such order in relation to said adjudication as by law they might be authorized to do.

And having given notice of such adjudication, and of the time and place appointed for the purposes aforesaid, in the same manner as the notice and publication were given and made before first proceeding to view (except by publishing an abstract of said petition instead of a copy thereof), the said Commissioners met at the time and place appointed and then and there heard all persons and corporations interested, and said hearing was thence adjourned and continued from time to time to the meeting of the County Commissioners held at their office in Plymouth on the fifteenth day of December A. D., 19 81, when and where they proceed to complete said proceedings and make return thereof as follows, to wit:—

PLYMOUTH, SS.

No. 1480

On the petition of the Selectmen of the Town  
Plympton presented to the County Commissioners of Plymouth County  
 at their meeting holden at Plymouth on the twenty-sixth day of December  
 in the year of our Lord nineteen hundred and seventy-three, representing that  
 the highway in said town known as Parsonage Road between Main  
 Street and Winnetuxet Road is narrow, crooked and inconvenient  
 for use and in need of specific repair, locating anew, or relo-  
 cation, and the intersections of said highway with connecting  
 streets are dangerous for public travel,

reference being had to the petition filed of record in the case.

The County Commissioners, pursuant to an order of notice duly published, posted and  
 served, by which all persons and corporations interested had due notice thereof, met to view  
 the premises at the County Commissioners' office in Plymouth  
 in said County on the fourteenth day of April A. D. 1981,  
 at 1:30 o'clock in the afternoon, and after viewing the premises and hearing all  
 persons and corporations who desired to be heard, the said hearing was continued and ad-  
 journed for further consideration, from time to time, all persons and corporations interested  
 having due notice thereof, to a meeting of the County Commissioners, held at their office in  
 Plymouth on the fourteenth day of April A. D. 1981, when and  
 where they adjudicate and determine that common convenience and necessity require that the  
 prayer of said petition be granted.

And upon the adjudication aforesaid, the said Commissioners appointed the fifth  
day of May A. D. 19 81, and 1:30 o'clock  
 in the afternoon, at County Commissioners' office in Plymouth  
 in said County as the time and place when and where they would proceed to further view the  
 premises, and make such order in relation to said adjudication as by law they might be au-  
 thorized to do.

And having given notice of such adjudication, and of the time and place appointed for the  
 purposes aforesaid, in the same manner as the notice and publication were given and made  
 before first proceeding to view (except by publishing an abstract of said petition instead of a  
 copy thereof), the said Commissioners met at the time and place appointed and then and there  
 heard all persons and corporations interested, and said hearing was thence adjourned and  
 continued from time to time to the meeting of the County Commissioners held at their office  
 in Plymouth on the fifth day of January A. D. 1982,  
 when and where they proceed to complete said proceedings and make return thereof as follows,  
 to wit:—

No. 1505

On the petition of the Selectmen of the Town of East Bridgewater presented to the County Commissioners of Plymouth County at their meeting holden at Plymouth on the ninth day of January in the year of our Lord nineteen hundred and seventy-nine representing that the highway in said town known as Union Street between North Bedford Street and Walnut Street is narrow, crooked and inconvenient for use and in need of specific repair, locating anew, or relocation, and the intersections of said highway with connecting streets are dangerous for public travel,

reference being had to the petition filed of record in the case.

The County Commissioners, pursuant to an order of notice duly published, posted and served, by which all persons and corporations interested had due notice thereof, met to view the premises at the County Commissioners' Office in Plymouth in said County on the twenty-first day of April A. D., 19 81, at 1:30 o'clock in the afternoon, and after viewing the premises and hearing all persons and corporations who desired to be heard, the said hearing was continued and adjourned for further consideration, from time to time, all persons and corporations interested having due notice thereof, to a meeting of the County Commissioners, held at their office in Plymouth on the fifth day of May A. D., 19 81, when and where they adjudicate and determine that common convenience and necessity require that the prayer of said petition be granted.

And upon the adjudication aforesaid, the said Commissioners appointed the twenty-sixth day of May A. D., 19 81 and 2:00 o'clock in the afternoon, at the County Commissioners' Office in Plymouth in said County as the time and place when and where they would proceed to further view the premises, and make such order in relation to said adjudication as by law they might be authorized to do.

And having given notice of such adjudication, and of the time and place appointed for the purposes aforesaid, in the same manner as the notice and publication were given and made before first proceeding to view (except by publishing an abstract of said petition instead of a copy thereof), the said Commissioners met at the time and place appointed and then and there heard all persons and corporations interested, and said hearing was thence adjourned and continued from time to time to the meeting of the County Commissioners held at their office in Plymouth on the third day of August A. D., 19 82, when and where they proceed to complete said proceedings and make return thereof as follows, to wit:—

COUNTY COMMISSIONERS

RESOLUTION

WHEREAS, the County of Plymouth is concerned with the national unemployment picture; and

WHEREAS, the production of steel not only provides jobs for our citizens, but also affects the livelihood of Americans as well; and

WHEREAS, it is of prime concern that foreign nations substantially have increased their steel production capacity through extensive subsidization, and have directed their steel shipments to the United States, the only free market in the world; and

WHEREAS, this illegal procedure has had a disastrous effect on operating levels and employment in the American steel industry, causing steel capacity to drop to 50 percent this month, and forcing 127,000 steelworkers to be laid off their jobs, or limited to a reduced work schedule; and

WHEREAS, local government officials have joined industry and labor leaders in urging an end to the influx of foreign steel:

NOW, THEREFORE, BE IT RESOLVED that this Board of County Commissioners does hereby once again call to the attention of our Federal Government the fact that basic steel is an essential industrial material and a strategic resource necessary to our national defense;

AND, BE IT FURTHER RESOLVED that we urge the establishment of quotas to control steel imports to the United States, and to impose steel import limitations under provisions of the Trade Act of 1974, and thus rightfully end this unfair and illegal practice that is strangling our domestic steel industry.

AND, Resolved that copies of this Resolution be forwarded to the President of the United States, our two U.S. Senators, and the Congressional Delegation from Plymouth County.
