JANUARY SITTING, 1984

COMMONWEALTH OF MASSACHUSETTS

PLYMOUTH, ss.

AT A STATUTORY MEETING OF THE COUNTY COMMISSIONERS
HOLDEN AT PLYMOUTH ON THE THIRD DAY OF JANUARY A. D. 1984:

Voted, to deny the use of twenty-five acres (25) of land at the Plymouth County House of Correction and Jail for waste-water treatment beds for the Town of Plymouth for the following reasons:

1. The Plymouth County House of Correction uses the parcels in question for agricultural purposes to provide food for the inmate population of the House of Correction.
 - a) to cease food production would have a serious impact on the County Budget which has no override provision under Proposition 2 1/2.
 - b) to make use of the proposed "land-swap" would require additional Correction Officers to guard the inmate population while they work and would require additional vehicles for transporting purposes, creating a serious impact upon the County Budget.
 - c) to cease use of the land in question for agricultural purposes would leave the inmates without meaningful work and create an unhealthy atmosphere, both physically and mentally for the inmate population.
 - d) to allow the use of the land for the requested purpose would seriously curtail the farming operation and the raising of animals for food production.
2. The County of Plymouth has applied for a Grant to expand the existing House of Correction physical plant.
 - a) to allow the land to be used for the purposes requested would alter the plans of the County to provide a more modern facility.
 - b) a more modern facility would be energy efficient and would have a positive affect on the County Budget in terms of energy costs.
 - c) a more modern facility would be more efficient in terms of Correction Officer usage and would have a positive affect on the County Budget in terms of manpower costs.
3. The County of Plymouth has some concerns over a proposed wastewater treatment facility in close proximity to a dense housing facility.
 - a) The House of Correction is a dense housing facility, housing approximately 215 inmates daily.
 - b) The County of Plymouth is responsible, both legally and morally, for the health and safety of the inmate population under its jurisdiction and control.
 - c) The County of Plymouth is concerned regarding this proposed treatment beds in terms of equipment malfunction, odors, seepage, etc., and feel that this type facility does not belong in an area of dense housing.
4. The County of Plymouth has some concerns with being a good neighbor.
 - a) The Jordan Hospital, also a dense housing facility, is a direct abuttor of the House of Correction and would be subjected to the same pressures as the House of Correction in terms of equipment malfunction, odors, etc.
 - b) The Plymouth-Carver Regional High School, a densely populated facility for the better part of each day, is also a direct abuttor and would be subjected to the same concerns of malfunction, odors, seepage, etc.
 - c) The general area of the House of Correction is a densely populated residential area, subjected to the same concerns noted above.

Therefore, for all the reasons cited above, not the lease of which is the financial impact such a plan would have on the finances of the County of Plymouth, the County Commissioners hereby vote to deny the request of the Town of Plymouth for twenty-five (25) acres of land at the Plymouth County House of Correction to construct wastewater treatment filter beds.

No. 1491

On the petition of the Selectmen of the Town of Carver presented to the County Commissioners of Plymouth County at their meeting holden at Plymouth on the twentieth day of July in the year of our Lord nineteen hundred seventy-six representing that the highway in said town known as Ward Street from South Meadow Road, easterly approximately six hundred feet is narrow, crooked and inconvenient for use and in need of specific repair, locating anew, or relocation, and the intersections of said highway with connecting streets are dangerous for public travel,

reference being had to the petition filed of record in the case.

The County Commissioners, pursuant to an order of notice duly published, posted and served, by which all persons and corporations interested had due notice thereof, met to view the premises at the County Commissioners' office, in Plymouth, in said County on the nineteenth day of July A. D. 1983, at 1:15 o'clock in the after noon, and after viewing the premises and hearing all persons and corporations who desired to be heard, they adjudicate and determine that common convenience and necessity require that the prayer of said petition be granted as hereafter set forth; no person or corporation then or at any other time objecting thereto.

And they continue and adjourn said proceedings from time to time for further consideration and to make return thereof, to a meeting of the County Commissioners held at their office in Plymouth on the seventeenth day of January A. D. 1984, when and where they proceed to complete said proceedings and make return thereof as follows, to wit:—

No. 1499 - Sec. II

On the petition of the Selectmen of the Town of Carver presented to the County Commissioners of Plymouth County at their meeting holden at Plymouth on the twenty-seventh day of August in the year of our Lord nineteen hundred and seventy-seven, representing that the highway in said town known as Plymouth Street from a point near Wenham Shores Drive easterly to the Carver Town Line is narrow, crooked and inconvenient for use and in need of specific repair, locating anew, or relocation, and the intersections of said highway with connecting street are dangerous for public travel,

reference being had to the petition filed of record in the case.

The County Commissioners, pursuant to an order of notice duly published, posted and served, by which all persons and corporations interested had due notice thereof, met to view the premises at the County Commissioners' Office in Plymouth in said County on the third day of August A. D., 19 82, at 1:15 o'clock in the afternoon, and after viewing the premises and hearing all persons and corporations who desired to be heard, the said hearing was continued and adjourned for further consideration, from time to time, all persons and corporations interested having due notice thereof, to a meeting of the County Commissioners, held at their office in Plymouth on the twenty-first day of December A. D., 19 82, when and where they adjudicate and determine that common convenience and necessity require that the prayer of said petition be granted.

And upon the adjudication aforesaid, the said Commissioners appointed the first day of February A. D., 19 83, and 1:45 o'clock in the afternoon, at County Commissioners' Office in Plymouth in said County as the time and place when and where they would proceed to further view the premises, and make such order in relation to said adjudication as by law they might be authorized to do.

And having given notice of such adjudication, and of the time and place appointed for the purposes aforesaid, in the same manner as the notice and publication were given and made before first proceeding to view (except by publishing an abstract of said petition instead of a copy thereof), the said Commissioners met at the time and place appointed and then and there heard all persons and corporations interested, and said hearing was thence adjourned and continued from time to time to the meeting of the County Commissioners held at their office in Plymouth on the twenty-first day of February A. D., 19 84, when and where they proceed to complete said proceedings and make return thereof as follows, to wit:—

No. TA-177

HOWARD S. KATZ

vs.

TOWN OF PLYMOUTH

FINAL DECREE

This cause came on to be heard upon an appeal from the
decision of the Board of Assessors of the Town of Plymouth, Mass.,
refusing an abatement of the real estate tax on property at 809
Long Pond Rd., Plymouth, Mass., belonging to Howard S. Katz.

After a hearing duly held on February 21, 1984, it was
ORDERED, ADJUDGED AND DECREED:

That in accordance with the General Laws of the Common-
wealth of Massachusetts, the Plymouth County Commissioners find
that the easement through the property of Howard S. Katz diminishes
the value of the property, and

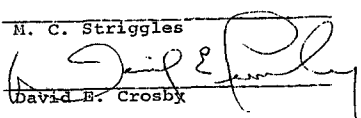

That the assessment of the property shall, therefore, be
abated from \$17,370.00 valuation to \$13,027.50 valuation; a reduc-
tion of twenty-five per cent, (25%), of that assessed against the
appellant, and

That said tax be abated and reimbursement made as set
forth in the provisions of General Laws, Chapter 59, Section 69,
as amended.

AT A REGULAR MEETING OF THE COUNTY COMMISSIONERS
HOLDEN AT PLYMOUTH ON THE TWENTY-SEVENTH DAY OF NOVEMBER
A. D. 1984:

VOTED, to place upon the records of the County Commissioners notice of the death of David E. Crosby, Plymouth County Commissioner, on Friday, November 23, 1984.

Commissioner Crosby served his beloved City of Brockton, the County of Plymouth, the Commonwealth and the Nation with distinction and honor for many years. His career in public service began as the Plymouth County Law Librarian from 1962 until 1966.

In 1966, Commissioner Crosby was a Hearings Officer for the United States Department of Justice when he was appointed as Clerk of the Brockton District Court.

Commissioner Crosby was elected to the Brockton School Committee in 1972, and served until his election as Mayor of the City of Brockton, which term began in January of 1974.

Commissioner Crosby served as Mayor of the City of Brockton for eight and one-half years, the longest term of any Mayor in the history of the City of Brockton.

In addition to elected and appointed Public Offices, Commissioner Crosby devoted his time and interest to the Brockton Symphony Orchestra, the Greater Brockton Community Concerts, as Director of the Greater Brockton Council of Churches, as Chairman of the Board of the Greater Brockton Youth Orchestra and many other civic and community groups.

We are saddened to state that Commissioner Crosby won election to the Office of County Commissioner on November 6, 1984, but did not survive to take office.

Commissioner David E. Crosby will be sadly missed by the County, the City of Brockton and those who knew him, not only for his contributions, which were many, but for his unflinching sense of humor and his ability to act on issues before him with kindness and compassion for all. His devotion and integrity remain as an inspiration to all.
