No. 1496

On the petition of the Selectmen of the Town of Carver presented to the County Commissioners of Plymouth County at their meeting holden at Plymouth on the thirty-first day of May in the year of our Lord nineteen hundred and seventy-seven representing that the highway in said Town known as Pine Street from Rochester Road to Meadow Street is narrow, crooked and inconvenient for use and in need of specific repair, locating anew, or relocation, and the intersections of said highway with connecting streets are dangerous for public travel,

reference being had to the petition filed of record in the case.

The County Commissioners, pursuant to an order of notice duly published, posted and served, by which all persons and corporations interested had due notice thereof, met to view the premises at the County Commissioners' office, in Plymouth, in said County on the eighteenth day of September A. D. 19 84, at 1:30 o'clock in the after noon, and after viewing the premises and hearing all persons and corporations who desired to be heard, they adjudicate and determine that common convenience and necessity require that the prayer of said petition be granted as hereafter set forth; no person or corporation then or at any other time objecting thereto.

And they continue and adjourn said proceedings from time to time for further consideration and to make return thereof, to a meeting of the County Commissioners held at their office in Plymouth on the twenty-first day of April A. PLYMOUTH, ss.

No. 1517

On the petition of the Selectmen of the Town of Bridgewater presented to the County Commissioners of Plymouth County at their meeting holden at Plymouth on the seventh day of January in the year of our Lord nineteen hundred and eighty-six representing that the highway in said Town known as Roberts Road between Pond Street, Bridgewater and Old Plymouth Street, East Bridgewater is narrow, crooked and inconvenient for use and in need of specific repair, locating anew, or relocation, and the intersections of said highway with connecting streets are dangerous for public travel,

D. 19 87, at 1:30 o'clock in the after noon, and after viewing the premises and hearing all persons and corporations who desired to be heard, they adjudicate and determine that common convenience and necessity require that the prayer of said petition be granted as hereafter set forth; no person or corporation then or at any other time objecting thereto.

And they continue and adjourn said proceedings from time to time for further consideration and to make return thereof, to a meeting of the County Commissioners held at their office in Plymouth on the twentieth day of October A. D. 1987, when and where they proceed to complete said proceedings and make return thereof as follows, to wit:—
